COMPANY PROFILE

ABOUT US

PT. Local Governance (LOGOV) Celebes was established on August 17, 2007. Initiated by a number of lecturers in Hasanuddin University that comes from various field of expertise, including: Economics Development and Planning, Management, Accounting, Agricultural and Socio-Economic, Law, Marine Sciences and Fisheries, and Socio-Politics, who are experienced in their respective fields and have worked as a team for decades. Especially in developing collaborations, partnerships, and networks with various institutions in any level. In this regard, related to education and training activities, research, and consulting.

Through the collective competences and capabilities of its human capital, LOGOV Celebes dedicate its activities in encouraging quality development, good governance, and strong foundation of institutions in both private and public, in particularly for the local government in the eastern part of Indonesia. In this regard, by actively developing and promoting the evidence-based policy approach in all regional planning and development activity, through various approaches of empirical research that relevant, accurate, objective, valid, and credible.

LOGOV CELEBES DEDICATE TO TAKE PART IN ENCOURAGING QUALITY DEVELOPMENT, GOOD GOVERNANCE, AND STRONG INSTITUTIONS, ESPECIALLY IN THE EASTERN PART OF INDONESIA.

VISION

The leading think-tank institution on promoting and developing evidence-based policy for both public and private institutions especially in the eastern part of Indonesia.

MISSION

Based on strong professional and ethical research skills, and enriched by our vibrant international network but rooted in local wisdom, LOGOV Celebes is actively promoting and developing evidence-based policy for both public and private institutions, especially in the eastern part of Indonesia.

ORGANIZATIONAL CULTURE

LOGOV Celebes always puts forward the spirit of cooperation, collectivity, integrity, effective and efficient actions, transparent, responsible, and accountable in managing its organization.
